Company description :

Who We Are?

State Street Bank was established in 1792 in Boston. As one of the world's leading providers of financial services to institutional investors, we are a global organisation with a deep commitment to the markets and clients we serve. Since our entry into the European market in 1970, we have built a strong presence in the region. Today we have approximately 10,000 employees in the EMEA region. Our local expertise enables us to offer clients a complete range of financial services across the investment spectrum, including investment servicing, investment research and trading and investment management. Currently we employ 3500 people in Poland

Job description :

Your Job Overview:

Promoting a culture of excellence

State Street's Internship Program provides an excellent opportunity to work and learn about our organization, our culture and how we do business on a day-to-day basis. Our 3 month paid internship program will allow you get firsthand experience in one of the following areas:

Fund Accounting

Hedge Fund Accounting

Pricing

Derivatives

Financial Reporting

Risk

Compliance

Middle Office

Transfer Agency

Apart from on-the-job training in the area you are assigned to you will join other interns in a coordinated training program that comprises of an induction program as well as a series of lunch and learn sessions that are geared towards providing you with an overview of our organization and our products. You will be paired up with a 'buddy' on day one who can offer you their experience, knowledge, and guidance throughout the summer. Very often, interns who perform and exceed expectations will be considered and propelled ahead of their peers in the interview process for full time graduate positions
