

Oferta pracy

Nr referencyjny: 6712/18/PS

Nazwa firmy: Smartways Sp. z o.o.

Opis: SmartWays was created in 2016 as a result of a simple observation: HR and Recruitment consulting practice don't meet expectations of business.

We offer wide spectrum of HR support. From talent acquisition and RPO to business turnarounds. Solutions which are not framed but bespoke and designed to companies and employees particular needs. For every industry, size or location. We support our clients in dealing with the challenges and opportunities ahead through People agenda.

SmartWays offer bespoke and scalable, yet simple solutions to fuel the evolving people needs of your business. For every industry. Any size or location. Our work ranges from RPO solutions and talent acquisition to HR and business turnarounds. We support our clients in dealing with the challenges and opportunities a
