

Oferta pracy

Nr referencyjny: 7568/18/PS

Nazwa firmy: Coinfirm Limited

Opis: The Blockchain Lab team is a unique international combination of DC and Blockchain innovators, IT and security specialists, AML/KYC compliance experts and visionary entrepreneurs across tech, media and finance.

As international authorities and pioneering adopters, we have been developing around Blockchain since the early stages and co-founded the first Bitcoin establishment of its kind in Europe. Combined with our knowledge in compliance and extensive experience conducting global projects with international financial institutions and regulatory authorities, we are uniquely positioned to provide a global compliance platform for Digital Currencies and innovative solutions for Blockchain.
