Company description :

Across the globe, institutional investors rely on us to help them manage risk, respond to challenges, and drive performance and profitability. We keep our clients at the heart of everything we do, and smart, engaged employees are essential to our continued success.

Our promise to maintain an environment where every employee feels valued and able to meet their full potential infuses our company values. It's also part of our commitment to inclusion, development and engagement, and corporate social responsibility. You'll have tools to help balance your professional and personal life, paid volunteer days, and access to employee networks that help you stay connected to what matters to you. Join us.

Job description :

The candidate will be expected to support the day to day running of the team, with responsibility for the provision of a premier service standard to the State Street IMS client base.

Required profile :

Job Specifications

* Close monitoring of automated electronic trade confirmation process and systems; attention to 'straight through' processing (STP) of trades; verification of trades against counterparty instructions; authorize and dispatch trades via SWIFT messaging system to custodians, clients, and fund accountants. Ensure all trades have been sent successfully, checking appropriate queues and processes.
