Company description :

PwC Luxembourg (www.pwc.lu) est le premier cabinet de services professionnels au Luxembourg, employant 2450 personnes originaires de 55 pays différents. PwC Luxembourg fournit des services en matière d'audit, de fiscalité et de conseil, comprenant notamment des services de conseils en gestion, en transactions, en financement ainsi que des services de conseils portant sur des aspects réglementaires. La firme fournit ces conseils à une clientèle très variée allant des entrepreneurs locaux et des PME aux grandes multinationales ayant leurs activités au Luxembourg et dans la Grande Région. La firme aide ses clients à créer la valeur qu'ils recherchent en contribuant au bon fonctionnement des marchés de capitaux et en fournissant des conseils privilégiant une approche sectorielle.

Le réseau international PwC est le plus important prestataire de services professionnels dans les domaines de l'audit, du conseil fiscal et du conseil en gestion. Nous sommes un réseau de firmes indépendantes présentes dans 157 pays et comptons plus de 195 000 collaborateurs. Faites-nous part de vos enjeux et consultez nos sites de référence : www.pwc.lu et www.pwc.lu pour davantage de précisions.

Job description :

Your main responsibilities will include :

- Structuring and writing comprehensive and impactful reports, proposals and articles in English on given research topics based on the collected and analysed data and making business-oriented recommendations to the sponsoring client;
- Selecting the appropriate structuring and writing techniques for the research reports to provide insights to the underlying business issues;
- Interviewing industry experts and key opinion leaders within the industry for specific research projects;
- Reviewing and scrutinising collected and analysed data as to appropriateness for writing the specific research reports;
- Working closely with the research team to ensure the assembling and high quality of reports;
- Preparing presentations for internal and external use;
- Reading, reviewing and disseminating any significant articles, published research and data;
- Understanding the business and regulatory environment of the asset management and banking industry;
- Maintaining contacts with key information sources (internal and external) to facilitate effective communication and understanding of information.

Required profile :

- Bachelor's degree, Master's degree or equivalent;
 - Near-native English speaker with excellent writing skills;
 - Ideally two years of experience as an investment writer or a financial journalist;
- Advanced interviewing skills;
- Experience of and interest in the financial services sector;
 - Highly stress resistant and able to cope with multiple demands, requirements and manage priorities;
 - Ability to quickly understand a problem, to identify possible solutions and key success factors as well as the ability to interpret and assess the impact of the results of an analysis;
 - Reliable organisational skills, rigour, curiosity and proactivity are part of your qualities;
 - Strong project management skills;
 - Candidates need to be comfortable in a fast-paced and changing environment;
 - Excellent Word and PowerPoint skills;
 - Command of French or German language will be considered as an asset.
