**Company description :**

Across the globe, institutional investors rely on us to help them manage risk, respond to challenges, and drive performance and profitability. We keep our clients at the heart of everything we do, and smart, engaged employees are essential to our continued success.

Our promise to maintain an environment where every employee feels valued and able to meet their full potential infuses our company values. It's also part of our commitment to inclusion, development and engagement, and corporate social responsibility. You'll have tools to help balance your professional and personal life, paid volunteer days, and access to employee networks that help you stay connected to what matters to you. Join us.

**Job description :**

Purpose Of Role:

Supporting business units across the corporation, the Enterprise Risk Management division within State Street Corporation establishes and maintains appropriate risk management policies, guidelines and limits, and assists executive and business-level management with minimizing operational, credit, legal, regulatory, reputational and other risks to the company.

The position is located in Krakow within the Risk Management Department Poland, which would be supporting Enterprise Risk Management functions across the US and EMEA region. The successful candidate will work closely with other Risk Management team members to ensure the provision of timely and accurate risk related reporting as well as the completion of credit risk ratings.

The Risk Management Department Poland is expected to grow considerably over the next couple years as a wider scope of responsibilities and more in-depth reporting and analysis is introduced.

**Required profile :**

Qualifications:

\* Proficient in Microsoft Excel, Access, PowerPoint

\* Fluency in English
