Benefits

See website for details of all ESPA benefits. For all internships over 6 months, additional benefits will be paid. Details available at interview.

Role

The role is to develop and increase engagement with the Spanish market, working closely with the sales team. Also, it will allow the intern to interact with senior level people to enhance the resellers network and increase sales. The intern will assist in a variety of marketing, business and communication tasks.

Tasks

- Market research, identification of business opportunities
- Communicating with distributors and co-ordinate activities
- Develop the company's sales
- Follow up leads made at exhibitions and seminars
- Possibility of preparation, attendance at exhibitions

Desired Skills

- Business Degree or similar
- Internet research skills
- Ability to use Microsoft Office
- Excellent communication and networking skills (exhibitions)
- Ability to work on own initiative and with great organisational skills
- Confidence to deal with and sell to business

The Host Company
